So shut the fuck up right now, and maybe

Murder I-N-C will show mercy

Cuz first b

You know who I'm talkin about

Those niggaz that started to bust out

Soon as our first joint came out

Holla Holla, if I could have a Dolla

for every Nigga that hated me soon as I-N-C was on Blaze

But I don't give a fuck

I said not a flying Fuck

[Hook: Jay-Z, Ja Rule, and DMX]

The Murder I-N-C

Gonna fuck you up, just cause they like to

How the fuck you gonna fuck around wit' organized crime

Anything bad I do or say, cause yo that shit is wack

And I just luv when you niggaz bring your whole crew

[Hook:]

[Verse 3: Jay-Z]

Dem Niggaz ain't prepared

For dis shit we prepared
got every nigga scared
cause of all the fuckin' shit that we shared
And don't none of them niggaz
wanna fuck around
We're never gonna find a common ground
Many niggaz wanna know, does murder sound like this
We're three Hip-Hop Philanthrapists
but, we don't give no muneey, we don't give a fuck so...
When the light is green
It's time to go
I don't care who you know
You still payin' full price, to our show
Fuck no, I won't give 'em to you free or with a discount yo
Cuz
You ain't gettin' nada from us
Cause niggaz always get a lotta money from us
That ain't the thug way
Nigga, don't try and play
Hold the fuck up, are you gay
No
Well anyway
It's time to say
final goodbyes
and one more thing, this shit I just rapped about
and none of it are lies
Next step is to come in, fuck your boo
when I'm through
all she'll be able to say is Jigga Whut Jigga Who
and ask her who her man is
she'll tell you
She'll put her finga on the trigga
pull and yell Jigga my Nigga

[Hook:]
