[Verse 1]

Lord Give me a Sign!

I really need to talk to you Lord

Since the last time we talked the walk has been hard

Now I know you havent left me

But I feel like im alone

Im a big boy now but im still not grown

And Im still goin threw it

Pain and the hurt

Soaking up trouble like rain in the dirt

And I know!

Only I can stop the rain

Wit just the mention of my saviors name

IN THE NAME OF JESUS!

Devil I rebuke you for what I go threw

And tryin make me do what I used to

But all that stops right here

As long as the Lords in my life I will have no fear

I will know no pain from the light to the dark

I will show no shame spit it right from the heart

Cuz its right from the start

But you held me down

And Aaint nothin they can tell me now

Lord give me a sign!

[Hook:]

Let me know whats on your mind

Let me know what im gone find

Its all the time

Show me how to teach the mind

Show me how to reach the blind

Lord give me a sign!

Show me what I gots to do

To bring me closer to you

Cuz im gonna go through

What ever you want me to

Just let me know what to do

Lord give me a sign!

[Verse 2:]

Please show me sometin

Im tired of talkin to him

Knowin he frontin

Cryin bout life aint nuttin

But you either be the one mad cuz you trapped, or the one huntin

Trapped in your own mind waitin on the Lord

Or huntin wit the word that cuts like a sword

The spoken word is stronger than the strongest man

Carries the whole world like the strongest hand
Through the trials and tribulations you neva let us down
JESUS!
I know your here with us now
JESUS!
I know your still wit us now
Keep it real wit us now
I wanna feel show me how
Let me take your hand, guide me
Ill walk slow but stay right beside me
Devil's tryna find me
Hide me, hold up I take that back
Protect me and give me the strength to fight back!

[Hook:]
Let me know whats on your mind
Let me know what im gone find
Its all the time
Show me how to teach the mind
Show me how to reach the blind
Lord give me a sign!

Show me what I gots to do
To bring me closer to you
Cuz im gonna go through
What ever you want me to
Just let me know what to do
Lord give me a sign!

[Verse 3:]
Life or death
Live or die
I will never live a lie
Im goin there cuz I try
I wont quit until I die
Im gone make it wrong or right
Make it through the darkest night
When the morning comes you'll see
All I have is God in me
(Lord give me a sign!)

[Outro:]
No weapon formed against me shall prosper
For this is the heritage of the servants of the Lord
In the name of jesus
Lord give me a sign
Amen
