

# DMX, More 2 A Song

[DMX]

Uhh.. c'mon!

[Chorus: DMX]

(Dog) It's more to a song than, jewelry and clothes  
More to a niggaz life than, money and hoes  
The game is a lot bigger than you, think you know  
And if you think you know, then I don't think you know

[DMX]

Niggaz - walk around frontin (frontin) talkin bout jewels (jewels)  
how much you bust tools, y'all niggaz sounds like fools (woo)  
Who you really think give a fuck how much your watch cost? (mm-hmm)  
How much your watch cost? You bout to get your watch lost (aight)  
If you flashin it, you must not want it  
See I fuck with real niggaz that done it  
You know what time it is, run it!  
Niggaz got more important shit to deal with  
Talkin about some 4 wheel shit  
but my man here is about to kill shit (UH!)  
Keep playin niggaz pussy, and you will get fucked  
Why don't you cop some more ice dog  
then you will get stuck and fucked  
Bitch-ass nigga, hit my street  
and see what happens to that iceberg when it's hit by heat (woo)  
It want be a pretty sight, you and your pretty wife  
Oh you must have forgot dog, this is the shitty life (aight?)  
Ain't a fuckin thing sweet, and ain't nothing fair  
Just another nigga dead, don't a motherfucker care

[Chorus: repeat 2X]

[DMX]

Born and raised in the projects and can't forget it  
And all that grimmy shit niggaz do, I done did it (uhh)  
And I'm still wit it, nigga I stay in the hood  
But when the cats is out, bet the dog, play in the hood  
You keep bringin them fake bitches through  
You gon' fuck around and make bitches do (WHAT?)  
We take bitches too (aight?)  
An if you comin through my block, it's gon' be the last stop  
We blast tops, faggots couldn't make it to the stash box (c'mon!)  
Big ass rocks, I want that! Fuck the blood  
All that shit washes off, the next day I'm like, "What?"  
Flossin yo' shit, what I want for yo' shit? (uhh, uhh)  
Give a nigga like three bricks to feed the dogs with  
Cause I ain't really gots to shine (Why?) When they do, I do  
For me them niggaz'll hide you, where nobody'll find you  
If you eatin motherfucker, then your dogs should be eatin too  
Not just four or five niggaz  
Cause you know what the streets'll do

[Chorus: repeat 2X]

[DMX]

I will be the voice of the street til I die (die)  
Cause I know if I keep my heart real, I'm gon' fly (fly)  
Either let me fly or give me death; if you didn't catch it then  
get it now, cause it's all that's left  
And this will be the last breath (uh) provokin my niggaz (uh)  
to start choking y'all niggaz (WHAT?) and smokin y'all niggaz  
A nigga would never have to say, "X feed me!"  
You'll never hear a nigga say, "X is greedy!"  
Only, "X believe me! I didn't know it was a setup!"

Get up, cocksuckin motherfucker, shut up  
Shut up {"&quot;pop pop&quot;} Fuck you nigga  
From the hood to the wood, fuck you nigga  
This for my dogs, til death do us part  
I'm still here, cause I been here from the start (aight?)  
If I'm ever anywhere, anytime it gets ugly (WHAT?)  
The dog is aight, cause I know the streets love me (grrrrrrrrr)

[Chorus: repeat 2X]

[DMX (speaking softly)]

Jewelry and clothes..

Money and hoes..

Think you know?

I don't think you know..
