

# DMX, Prayer 3

[DMX]

Let us pray

Lord Jesus it is you, who wakes me up every day

And I am forever grateful for your love..

.. this is why I pray

You let me touch so many people, and it's all for the good

I influenced so many children, I never thought that I would

And I couldn't take credit for the love they get

because it all comes from you Lord

I'm just the one that's givin it

And when it seems like the pressure gets to be too much

I take time out and pray, and ask that you be my crutch

Lord I am not perfect by a longshot -- I confess to you daily

But I work harder everyday, and I hope that you hear me

In my heart I mean well, but if you'll help me to grow

then what I have in my heart, will begin to show

And when I get goin, I'm not lookin back for NOTHIN

Cause I will know where I'm headed, cause I'm so tired of the sufferin

I stand before you, a weakened version of, your reflection

Beggin for direction, for my soul needs resurrection

I don't deserve what you've given me, but you never took it from me

because I am grateful, and I use it, and I do not, worship money

If what you want from me is to bring your children to you

my regret is only having one life to do it, instead of two

Amen
