[hook]

[method man]

Oh what, y'all thought y'all wasn't gon' see me?
Check my, dangerous slang atrocious
When I let these nuts hang, focus, it's wu tang
What the f**k's a hootie and the blowfish
I wave my black flag at the roaches
Who approaches, these twin, supersoakers
Who have poisonous darts for culprits
Too late to get your blow gun un-holstered
You're left buttered up and lightly toasted
So what, I drink and smoke too much
So what I cuss too much, *shut the f**k up!*

[redman]

Yo, yo, now when we roll
You motherf**kers tuck in your gold
'cause for the platinum, I'm jackin niggas up in limos
It ain't nothin, for bullets to unbutton your clothes
Description, yellow male, tissue up in his nose

You bitches, swing the vine on the bathroom nuts
I'm hairy as hell, outta hell and tattoed up
I'm a dog only f**k in the bathroom, what

In high school, I dealt only with the classroom sluts

[method man]

My name is, johnny, donnie, brasco
Tuck the gat low, cut your cash flow
Yell if you want money, funny
A hungry dummy snatch crumbs from me
Doc and hot niks, bodies in the mosh pit

[redman]

Yo, and I'm the d.o., you lookin at the raw invented
On friday, I spit 35 to 40 minutes
Smell up, the bathroom like craig paul was in it
Endin up, on your back, wu swords up in it
Anyone can match me I crack 'em all to guinness
F**k how many thugs, players, and ballers in it
Brick city, shaolin, better call us sinners
Boys that'll run up in your wife, maul and spill it
Ppppppp p- p- pow!
[aaaaaaaaaahh!]
Yo we said c'mon!!

[hook]

[dmx] it just don't get no darker than that kid with the barker
Bald head with the boots who shoots to make it spark
I'm a fair nigga, but ain't nann nigga
Quicker than the hand trigga, so if you dare nigga
It'll be like your man tryin to hold your brain to your head
But you'll be shittin on yourslef 'cause you already dead
And at the funeral you won't need a casket
Leavin just enough of him to stuff in a basket
Just get the casket, I really need my ass kicked
My mom never let me forget, that I'm a bastard
I ain't never been shit, and ain't gon' be shit
That's why I taste shit, whenever I see shit
It's just that d shit, d's short for do what I wanna do
And that's what I'm gonna do, right here in front of you
And I'll be runnin you and your man straight up out
