found out she was a lil ho but still yo

was like Girlfriend, let me drop a bug in ur ear  
she didnt mind cuz i told her whut she wanted to hear  
was like Yeah! she knew she was how it was goin down  
she said, Page me, code zero, cuz i know you get around!  
Didnt even have a man, but even if she did then  
cuz my game is tight like i stop to cap on a nigga head  
i said, woke up, like, 9, or sumthin  
dont act like when i say that ass is mine, im frontin!  
Uhhh that night she let me get that, hit that  
ripped that, bounced off the walls and flipped that  
But only one thing went wrong

[chorus]

Shortyyyy... UHHHH!! we only did it full that night  
and man the pussy was good  
but shortys fuckin up my life (fuckin up my life)  
Shortyyyy... UHHHH!! we only did it full that night  
but man that pussy was good  
but shortys fuckin up my life.... cmon, ma! gimme a break!

a few days later, i hit her up just to be real  
I like, Whuttup, Boo, how you been, how you feel?  
She said, Aiight, but my friends kinda late  
Todays the thirteenth, it shoulda been here on the eighth  
Im like, For real? Well stress a pill  
You better cuz i cant afford another lil one.  
She said, Neither can I I said, Cool  
cuz i got mad shit to do and you still in school  
so at least we got the same thing in mind.  
If didnt have this kid, then everything woulda been fine  
BUT i was blind! for the fact that she was settin me up for the kill  
damn! why wasnt she on The Pill?!  
And i still check up on her, like, once a week  
sometimes i hit it, sometimes i didnt  
but Shorty was a frea, and whenever i would speak  
on the baby, shed be like:  
&quot;I aint havin this kid, is you crazy?!!&quot;

Shortyyyy... UHHHH!! we only did it full that night  
(listen man, only one muthafuckin night!)  
And man the pussy was good (i aint gone front it was good as a muthafucka)  
But Shortys fuckin up my life (man, this bitch is a fuckin headache!)  
Shortyyyy... UHHHH!! we only did it full that night (one muthafuckin night,  
it was nuthin but  
trouble)  
But Man the pussy was good (The pussy!! Man, let me tell ya....)  
But Shortys fuckin up my life (dogg, man, this bitch....!)  
Cmon Ma, gimme a break!!

By now wasnt lookin too good  
cuz she wasnt doin things that she told me she would  
like gettin the price checked out for whut we had to do  
and it goes up in the arguements after two  
and a half, man i had to laugh at her frustrations  
now shes four months ready to hit the bus station  
if i was still in that shit wit her made me rob her  
told her friends, DMX is my babys father!  
Lil stomache was showin so now the heat is on  
well maybe well see the light if i start to treat her wrong  
i guess she thought that if she kepted the baby, she would keep me  
got the game on high level, gettin sneaky  
had the kid she said it was premature  
found out she was six months when she said she was four  
so i left her with the pressure on the next mans arm  
shell be aiight cuz shorty was da bomb!

Shortyyyy... UHHHH!! we only did it full that night  
(man one muthafuckin night? Get real!)  
and man the pussy was good (the pussy it ate the dick up like THAT!)  
but shortys fuckin up my life (This bitch wont quit CALLIN!!!!)  
Shorty..... UHHHH!! (she was kinda cute though) we only did it full that night  
(it only takes one night, man, hehehehe)  
but man that pussy was good (Mmm Mmmm Mmm!!!!)
