Stuck in shit, til that headpiece gets BLAZED

Screamin this, ahh, cease to the grave

Washed away, just like dirt when it rains (uh)

And now because of you, I hurt when it rains (grrrrr)

[Chorus]

[DMX]

Another nigga split; there go white meat - another nigga

But with this Desert Eagle in your mouth

Sometimes it takes pain to make the brain a little smarter (uh-huh)

When I think the rain will stop, it only starts to rain harder (uh-huh)

Part of the game is niggaz wanna become fam-ous

and doin the same shit I do, remain nameless (uh, uh, uh, uh)

Cause I done took about as much I can stand
A nigga smilin in my face like they my motherfuckin man
Aiyyo, it gets a lot worse, cause there's a curse (WHAT?)

It's gettin dark, and with the cold to the heart
You realize, you ain't gonna see your shorty
old enough to walk, for real

[Chorus]
