

# Dntel, I'd Like To Know

The truth is underneath the stories yet to tell  
you came a long way but your eyes wont tell.

I started to talk cause i wanted to know is it grass that greening or is bird thats here?

Id like to know, I d really like to know

The starridge may strangle as planning make proud every seemed too much you kept her inside  
you kept her inside

Id like to know, I d really like to know

Id like to know, I d really like to know
