

# Doane Melanie, Waiting For The Tide

I cry up to the man in the  
moon  
He's the only one can help  
me now  
I bought the line  
that as long as I tried  
I could not leave empty  
handed  
But I've done all I can do  
and now I leave it up to you  
I'm waiting for the tide to turn  
Waiting for the tide to turn  
Waiting, waiting for the tide  
to take me  
To take me away  
Goodnight moon  
I should be talkin' to Neptune  
He's the one who will teach me patience  
For whoever rules the sea  
is now the ruler over me  
I'm waiting for the tide to turn  
Waiting for the tide to turn  
Waiting, waiting for the tide  
to take me  
So I have proved  
some things can't be moved  
And here I wait  
but my faith is weak,  
and the water's creeping up to my chin  
I am  
waiting for the tide to turn  
Waiting for the tide to turn  
Waiting, waiting for the tide  
to take me
