

Doane Melanie, Waiting For The Tide

I cry up to the man in the
moon
He's the only one can help
me now
I bought the line
that as long as I tried
I could not leave empty
handed
But I've done all I can do
and now I leave it up to you
I'm waiting for the tide to turn
Waiting for the tide to turn
Waiting, waiting for the tide
to take me
To take me away
Goodnight moon
I should be talkin' to Neptune
He's the one who will teach me patience
For whoever rules the sea
is now the ruler over me
I'm waiting for the tide to turn
Waiting for the tide to turn
Waiting, waiting for the tide
to take me
So I have proved
some things can't be moved
And here I wait
but my faith is weak,
and the water's creeping up to my chin
I am
waiting for the tide to turn
Waiting for the tide to turn
Waiting, waiting for the tide
to take me
