

Doc Adams, Red Ring Of Death

(Doc Adams)

This one goes out to all you folks whose ever seen the red rings of death from your friends at Sarca

(Song)

Love, my 360,
Better games than PS3,

It's Xbox Live that I desire,
Then I got the Ring of Fire,

And when I got that dreaded Ring of Fire,
I called Microsoft for repairs that I required,
But I sat on hold, 'til i got tired,
Freakin' Ring of Fire,

(Song)

I can't stand this burnin' ring of fire
I called Microsoft for repairs that I required,
But I sat on hold, 'til i got tired,
Freakin' Ring of Fire,

When they got,
This guy named Lee,

He said,
Repairs are free,

I heard him say,
to my chagrin,

They ran outta boxes,
And mailed them in,

So I still got this burnin' ring of fire,
And I can't play Gears, Yeah it's really gettin' dire,
And it burns, burns, burns,
This ring of fire, this ring of fire,
