

Doda, Don't wanna hide

Look what I have become
It's like I'm dreaming
But it feels so numb
Sometimes a lie becomes the truth
Just pretend and keep it cool
But you always see me through

I guess I knew this day would come
I'm not the girl you want me to be, no
The more I climb
The more I fall
My heart is up against the wall
I can't run no more

I lost my mind somewhere on the way
I can't even
I can not even recognize myself

You don't know what it's like to live in a lie
Tonight don't wanna hide
Let me try to love you one last time
I just wanna try
Let me love you now
Tonight don't wanna hide
Let me love you
Let me love you now
I just wanna try
Let me love you

Maybe that's the price I pay
I know I'll end up losing you again
It's getting harder everyday
Just pretend and play that game
Drowning deeper in despair

I guess I knew this day will come
Our time is up, I think we've said enough
The more I climb
The more I fall
My heart is up against the wall
I can't run no more

I lost my mind somewhere on the way
I can't even
I can not even recognize myself

You don't know what it's like to live in a lie
Tonight don't wanna hide
Let me try to love you one last time
I just wanna try
Let me love you now
Tonight don't wanna hide
Let me love you
Let me love you now
I just wanna try
Let me love you

(I-I I just wanna)

(Let-let let me love you)
(La-la last time)
Let me love you
(I-I I just wanna)
(Let-let let me love you)
(La-la last time)
Let me love you
