

Doechii, What It Is (Block Boy feat. Kodak Black)

What it is, ho? What's up?
Every good girl needs a little thug
Every block boy needs a little love
If you put it down, I'ma pick it up, up, up

Can't you just see, it's just me and you?
Panoramic view, that's my point of view, bae
All about me, that's the energy
That's that lemon pepper wing, I'm a ten-piece, baby
Bathroom bully in the bando
He gon' make it flip, do it with no handles
Never switchin' sides, only switchin' angles
Ooh, he go crazy like Rambo

What it is, ho? (What it is?) What's up? (What's up?)
Every good girl needs a little thug (Thug)
Every block boy needs a little love (Love)
If you put it down, I'ma pick it up, up (Ayy), up (Ayy)
What it is, ho? (What it is?) What's up? (What's up?)
Every good girl needs a little thug (Thug)
Every block boy needs a little love (Love)
If you put it down, I'ma pick it up, up (Ayy), up (Ayy)

Hit 'em up, hit 'em up
In the truck, got it tucked
He gave it up, pocket stuck
All night, I like
You ain't gotta say it when you know it's on sight

She got everything you want in her, a nice body, ass fat
Behind every gangster, a shawty solid that got his back
He know who to come to every-time the world handlin' him bad
The way he call first but still he always put her last (Always put her last, yeah)
I'm pourin' out this glass, I'm out here fightin' off that gas (Off that gas, yeah)
I smoke opps, I kill 'em, that zaza pack kickin' my ass (Kickin' my ass, yeah)
In the studio dosin', I'm rockin' kick before we sleep
I hate that for you niggas ain't got no bread, tryna beef
Bein' Black in America, is the hardest thing to be (Baby, tell me, yeah)
And a thug need a lil' love too, baby, how 'bout me?
Told her, "Don't call me Lil' Steeve 'cause I smell like money"
I put it down the greatest babe, but hold this here for me
I took her from her nigga, we vibin', 'til we 'side the country
Said she had a lil' situation but I could tell it ain't 'bout nothin'
I mean, I'm rappin', bitch
She said, "Don't hush me", I said, "Don't rush me"
And I could tell how much she like a nigga by the way she suck me
Ho, what it is?

What it is, ho? (What it is?) What's up? (What's up?)

Long as he comin' home to me
