

Dog Fashion Disco, China White (UK Version)

Young and confused
Socially abused
Can't find liberation
Fucked up in a hole

Take my life
Hold me till I die

Force feeding me
Umbilical delinquency
Shoot me in my brain
Fuck me in my brain

Till the feeling's gone
Then just turn and run
Spare a mental diction
Dependency is form(?)

Take my life
Hold me till I die (x2)

Take my life
Hold me till I die (x3)
