

# Dog Fashion Disco, En La Noche

En la noche  
Yo puedo ver tus ojos  
En la noche  
Moonlight and stars  
In your eyes  
In the night  
I can see your eyes  
En la noche  
Moonlight and stars  
Reflect a spectrum of love  
En la noche  
Yo puedo ver tus ojos  
En la noche  
Moonlight and stars  
In your eyes  
In the night  
I can see your eyes  
En la noche  
Moonlight and stars  
I'll thank you and you will smile  
I'll thank you and you will smile  
And we'll embrace and we will dance  
And we'll embrace into the night  
I'll thank you and you will smile  
I'll thank you and you will smile  
And we'll embrace and we will dance  
And we'll embrace into the night  
I'll thank you and you will smile  
I'll thank you and you will smile  
And we'll embrace and we will dance  
And we'll embrace into the night
