

Dogfight, Breathe

I'll pull myself away. No loss of dignity
to me. I'll stop myself and breathe.
Not worth my time, not worth it to me.

Don't need to feel this rage.
I'll walk away and I'll be the man
that you want me to be.

I'll only count to three. Is this
satisfaction worth it to me?
I'll step away, won't bleed.
Try to breathe, try to breathe,
try to see.

I need to breathe and walk away.
I'll be the man that you want me to be.
