

Dogfight, My Eyes

Nothing seems to be the way it used to be.
There's no guarantee, no big surprise.
But take it day by day, and just remember,
there's no guarantee in your life.

You can see the way I see, through my eyes.
The way I see reality, through my eyes.
Take a little taste of me and realize.
You'll never see the way I see through my eyes.

Cause the world seems stranger to me
when it all seems wrong. But I've tried to
take my time and always be patient cause
there's no guarantee in your life.

Accept the way you'll always change
can't stay the same. Don't ever be the one
who sees one way. Open your eyes.
