She asked if he thought he was strong  
&quot;Do you ever try to walk on your own?&quot;  
He said, &quot;I don't know what you mean.  
I don't use any crutches and I don't need anyone to lean on.&quot;

She said,  
&quot;Is that really true?  
You never seek advice or look for something to believe?  
Do you try to make sense of the things that happen to you?&quot;

He said, &quot;Some feel  
That thier soul and the stars are all part of a cosmic web  
Connecting everything.  
But why spend so much time  
Dreaming of answers that no one alive will ever find?&quot;

She said, &quot;Don't you know that your dreams  
Are as real as the thoughts in your head  
And your thoughts are only as real  
As you think they will be.&quot;

She asked if he looked at the sky  
And thought that in a past life he could fly  
He said, &quot;I don't know about that.  
My hands are to full with the life that I've got.&quot;

She said,  
&quot;Is that really true?  
Are your hands really full or do you try to keep yourself busy?  
So you don't have to take notice of who ,what and where you are?&quot;

He said, &quot;Some feel  
That thier soul and the stars are all part of a cosmic web  
Connecting everything.  
But why spend so much time  
Dreaming of answers that no one alive will ever find?&quot;

Oh, she said, &quot;Don't you know that your dreams  
Are as real as the thoughts in your head  
And your thoughts are only as real  
As you think they will be.&quot;

She said, &quot;Don't you know that your dreams
