

Dogs Of Peace, Thrown Away

Can't sleep without the light on
There's something waiting in the dark
Alone with the thought of a childhood lost
Now I'm hounded by the feeling
That for me all hope is gone

Thrown away, the innocence
No lenience for me
So I guess I'll take my dreams
And set them free

I could've been better
I should've been good
So many tears and years misunderstood
Wish that I could change
These things that I recall
I wish that I could rearrange it all

Now I'm looking to the heavens
Do You really care for me?

Thrown away, the records kept
They're swept from memory
When I gave My only Son
To set you free

Set you free

Set you free
