

# Dogstar, Denial

there is love here- can you feel it?  
it's from me; it's for me and I stole it  
if caught I'll deny it  
I'll scream and I'll fight it

Jesus loves me- can you feel it?  
I've injured my life - hope he can heal it  
if caught I'll deny it  
I'll scream and I'll fight it
