

Dogstar, Denial

there is love here- can you feel it?
it's from me; it's for me and I stole it
if caught I'll deny it
I'll scream and I'll fight it

Jesus loves me- can you feel it?
I've injured my life - hope he can heal it
if caught I'll deny it
I'll scream and I'll fight it

there is love here- can you feel it?
