

# Dogstar, Our Little Visionary

she says I got a tortured soul  
I got soul that she don't know  
she says it like it's all so clear  
she starts to shake when I am near  
there comes a point across our lives  
where we must see or we will die  
I've seen it before

in your rainbow there's a color  
I don't remember as a child  
there comes a point across our lives  
where we must see or we will die

she says I got a tortured soul  
I got soul that I don't know  
she says it like it's all so clear  
she starts to shake when I am near  
this is the point that's in our lives  
where we will see or will we die
