## Dogstar, Superstar

Long ago and oh so far away I fell in love with you Before the second show Your guitar, it sounds so Sweet and clear But you're not really here It's just the radio

Don't you remember You told me you loved me, baby? You said you'd be coming back this Way again, maybe Baby Baby Baby, Oh, Baby I love you, I really do

Loneliness is such a sad affair And I can hardly wait To be with you again What to say to make You come again? Come back to me again and play your sad guitar
