

# Dogwood, Suffer

Independent  
I leave you now  
To drown in desolation  
Oblivious to no one

Perpetual comparison  
You realized when I left  
That you were done  
You're done!

Suffer!  
'cause this would be your fault  
I know it's just  
Another lie, another lie, another lie, another lie  
Another lie, another lie, another lie, another lie

You expect me to succumb  
Snuff your insecurities  
You bounce from friend to friend  
You're nothing but a memory of treasure lost

We stumbled side by side  
We all tried to ignore  
The promises you never kept  
You realized when I left  
That you were wrong  
You're wrong!

Suffer!  
You know this is your fault  
I know it's just  
Another lie, another lie, another lie, another lie  
Another lie, another lie, another lie, another lie

Suffer!  
'cause this would be your fault  
I know it's just  
Another lie, another lie, another lie, another lie  
Another lie, another lie, another lie, another lie
