

Doja Cat, Say So

[Chorus]

Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused; you want it? Say so
Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused; you want it? Say so

[Verse 1]

It's been a long time since you fell in love
You ain't coming out your shell, you ain't really been yourself
Tell me, what must I do? (Do tell, my love)
'Cause luckily, I'm good at reading
I wouldn't bug him, but he won't stop cheesin'
And we can dance all day around it
If you frontin', I'll be bouncing
If you want it, scream it, shout it, babe
Before I leave you dry

[Chorus]

Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused; you want it? Say so
Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused; you want it? Say so (Yeah)

[Verse 2]

Let me check my chest, my breath right quick (Ha)
He ain't ever seen it in a dress like this (Ah)
He ain't ever even been impressed like this
Proly why I got him quiet on the set like zip
Like it, love it, need it bad
Take it, own it, steal it fast
Boy, stop playing, grab my ass
Why you actin' like you shy? (Hot)
Shut it, save it, keep it pushin'
Why you beating 'round the bush?
Knowin' you want all this woman
Never knock it 'til you try (Yah, yah)
All of them bitches hating I have you with me
All of my niggas sayin' you mad committed
Realer than anybody you had, and pretty
All of the body-ody, the ass and titties

[Chorus]

Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused; you want it? Say so
Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused; you want it? Say so
