

Doja Cat, Wet Vagina

[Chorus]

Move out the way 'cause here come giants
Move like a goat 'cause bitches lion
Rick Owens fork with new fine China
I bring the drip with wet vagina
I bring the drip with wet (Bring the drip with wet)
I bring the drip with wet vagina (Bring the drip with)
I bring the drip with wet (Bring the drip with; yeah, yeah)
I bring the drip with wet vagina (Yeah, yeah)

[Verse 1]

And I say that with my brand-new chest
You ain't even got no motherfuckin' brand
I had to draw a long line in the sand
Now I see a lot of long lines at the venue
I just shut the block down, look at my estate
I just shook the Louis store down to be safe
I just shook the Gucci store down to be safe
I ain't even buy anything, then I left
I wanna have really, really, really rough sex
I been puttin' twenties in they titties on stage
Stroke it like he straight, but they think my nigga gay
We been makin' very many people upset, yeah

[Chorus]

Move out the way 'cause here come giants
Move like a goat 'cause bitches lion
Rick Owens fork with new fine China
I bring the drip with wet vagina
I bring the drip with wet (Bring the drip with wet)
I bring the drip with wet vagina (Bring the drip with)
I bring the drip with wet (Bring the drip with)
I bring the drip with wet vagina (Yeah, yeah, yeah)

[Verse 2]

I live life like I got a cheat code
I don't shop anymore because I get free clothes
You can have a trophy, I no longer need those
You can have her, homie, shorty got an ego
Tell me why ol' shorty walkin' like she got a stick in her ass
And pretty face, plastic, it's givin' Kardashian
Agent 47, yeah, I'm giving assassin
Kick me out the Met, but I really run fashion
All that stressin' 'bout me has been givin' you acne
Pass the popcorn 'cause I really like rap beef
I got hot songs, that's why everyone at me
I don't get involved, but my bitches get nasty

[Chorus]

Move out the way 'cause here come giants
Move like a goat 'cause bitches lion
Rick Owens fork with new fine China
I bring the drip with wet vagina
I bring the drip with wet (Bring the drip with wet)
I bring the drip with wet vagina (Bring the drip with)
I bring the drip with wet (Bring the drip with)
I bring the drip with wet vagina
