

Dokken, Felony (Another Version)

(Dokken)

Felony
In tight blue jeans
I did not know
She was so sweet
Felony
What ya did ta me
The judge said sorry
First degree

(Chorus)
You're here in my heart
Felony
You're here in my heart
Felony, felony, felony, yeah
Felony, felony, felony

Well I was shot down
By a heart so cruel
You were were laughin' yeah
You took me for a fool
I'm struck down
Left lyin' in the dirt
I never knew
How much love it hurts

(Chorus)
(Solo)

Harvard paid
Detective man
I'm in his sights
I'm on the run
Those tight blue jeans
That drove me wild
I did not know
She was just a child

Felony, yeah

(Chorus)
Felony, felony, felony
