

# Dokken, Prisoner (Another Version)

(Lynch, Pilson, Brown)

It wasn't just your innocence  
No, It wasn't temptation  
It was just your own way  
Of placing the blame on me

Stop thinking that it's all the same  
You keep trading your love for pain  
Someday her answer will come  
'Cause there ain't no way to escape

Baby I'm a prisoner  
Chained by love  
It's so easy to see  
I can never be free  
I'm a prisoner  
Chained by love

The answer for your loneliness  
Is only frustration  
So you gave it all away  
By placing the blame on me

Remember how it used to be  
Your lies won't ----- that easily  
Something's wrong  
Why can't you see  
There ain't no way to escape

Baby I'm a prisoner  
Chained by love  
It's so easy to see  
I can never be free  
I'm a Prisoner  
Chained by love  
Chained by love  
It's so easy to see  
I can never be free  
I'm a Prisoner  
Chained by love

---- and misery  
'Cause I'm a prisoner  
Did my time so let me be  
Let me go  
Your holding me

Someday her answer will come, you wait  
Something's wrong  
Why can't you see  
That there ain't no way to escape  
Escape

Baby I'm a prisoner  
Chained by love  
It's so easy to see  
I can never be free  
I'm a Prisoner  
Chained by love  
Chained by love  
It's so easy to see  
I can never be free  
I'm a Prisoner

Chained by love  
Chained by love

It's so easy to see  
I can never be free  
I'm a prisoner  
Chained by love
