

# Dolly Parton, Anything's Better Than Nothing

Friends ask how I'll get along without you  
They say it's so sad we're apart  
I have to agree that I don't seem like me  
I'm havin' a ball with my heart

Anything's better than nothing nothing's not too much to lose  
Anything's better than nothing nothing's what I have with you

I've got to admit that it hurts me  
I don't like to fight or to fuss  
But now you and me are just happy we're free  
And everyone's crying but us

Anything's better than nothing...  
[ fiddle - ac.guitar ]  
It really must be disappointment  
To see love and dreams turn to smoke  
I can't blame my friends when their teardrops begin  
I once thought that love made a home

Anything's better than nothing...  
Nothing's what I have with you...
