Dolly Parton, Dumb Blonde

(Curly Putman)

Don't try to cry your way out of this Don't try to lie or I'll catch you in it Don't try to make me feel sorry for you Just because I'm blonde Don't think I'm dumb Cause this dumb blonde ain't nobody's fool When you left you thought I'd sit An' you thought I'd wait An' you thought I'd wait An' you thought I'd cry You called me a dumb blonde Ah, but somehow I lived through it And you know if there's one thing this blonde has learned Blondes have more fun

You flew too high up off the ground It's stormy wheater an' had to come back down But I've found new thread for my old spool Just because I'm blonde Don't think I'm dumb Cause this dumb blonde ain't nobody's fool

When you left you thought I'd sit An' you thought I'd wait An' you thought I'd cry You called me a dumb blonde Ah, but somehow I lived through it And you know if there's one thing this blonde has learned Blondes have more fun

You flew too high up off the ground It's stormy wheater an' had to come back down But I've found new thread for my old spool Just because I'm blonde Don't think I'm dumb Cause this dumb blonde ain't nobody's fool
