Dolly Parton, Jesus & Gravity

I'm to the point where it don't add up I can't say I've come this far with my guitar on pure dumb luck That's not to say i know it all 'Cause everytime I get too high up on my horse I fall

'Cause I've got, Somethin' lifting me up Somethin' holding me down Somethin' to give me wings and Somethin' to keep my feet on the ground I've got all I need, Jesus and gravity

But, I'm as bad as anyone Taking all these blessings in my life for granted one by one When I start to thinkin' it's all me Well, somethin' comes along and knocks me right back on my knees And I've got:

Somethin' lifting me up Somethin' holding me down Somethin' to give me wings and Somethin' to keep my feet on the ground I've got all i need, Jesus and gravity

He's my friend He's my light He's my wings He's my flight

And I've got, Somethin' lifting me up Somethin' holding me down Somethin' to give me wings and, Somethin' to keep my feet on the ground I've got all I'm gonna need, I got Jesus, I got Jesus, I got:

Somethin' lifting me up Somethin' holding me down Somethin' to give me wings and Somethin' to keep my feet on the ground I've got all I'll ever need, 'Cause I got Jesus and gravity

Somethin' lifting me up Somethin' holding me down Somethin' to give me wings and Somethin' to keep my feet on the ground I've got all I'll need 'Cause I've got Jesus and gravity

Jesus, I've got Jesus, I've got Jesus He's my everything He lifts me up He gives me wings He gives me hope And He gives me strength And that's all I'll ever need

As long as He keeps lifting me up He is my life He is my God He is my wings He is my flight Lift me, I've got Jesus, I've got Jesus And that's all I need
