

# Dolly Parton, Love Is Worth Living

I know what you're thinking when you look at me  
The love in your eyes is so easy to see  
It's real and it's good what I feel for you  
Love is worth living when you love like we do

I understand when you're not feeling well  
If there's something on your mind I always can tell  
I'm there when you need me and you're there when I need you  
Love is worth living when you love like we do

Love is worth living when you love like we do  
We found the happiness that very few do  
You know that I want you and you know that I want you  
Love is worth living when you love like we do

Love is worth living when you love like we do
