Dolly Parton, Making Believe

Making believe that you still love me It's leaving me alone and so blue I'll always dream, still I'll never own you Making believe, its all I can do Can't hold you close when you're not with me You're somebody's love, you'll never be mine Making believe that I'll spend my lifetime Loving you and making believe

Making believe that I never lost you But my happy hours are fun and so few My plans for the future will never come true Making believe what else can I do

Can't hold you close when you're not with me You're somebody's love, you'll never be mine Making believe that I'll spend my lifetime Loving you and making believe
