

# Dolly Parton, The Day I Fall In Love

James:

Just an ordinary day,  
Started out the same old way.  
Then I looked into your eyes and knew  
Today would be,  
A first for me  
The day I fall in love

Dolly:

On the day I fall in love,  
The sky will be a perfect blue.  
And I'll give my heart forever more  
To someone who,  
Is just like you.  
The day I fall in love

Both:

CHORUS

People all say,  
Love is wonderful.  
That the bells will ring,  
Birds will sing  
And skies will open.  
I wonder where's that great big symphony.  
Roll over Beethoven,  
Won't you play with me?

And I'll never to be true  
To anyone

(James): Unless its you

(Dolly): Unless its you  
The day I fall inlove.
