

# Dolly Parton, The House Of The Rising Sun

There is a house down in New Orleans  
Down in the Vieux Carr'e  
A house they call the rising sun  
Where love and money are made

My father he was a gambler  
Mother died when I was young  
And I've worked since then  
To please the men  
At the house of the rising sun

There is a house  
Down in New Orleans  
They call the rising sun  
It's been the ruin of many a good girl  
And oh God, you know I'm one

So mothers you go telling all your daughters  
Not to do what I've done  
To live a life of sin, shame and strife  
In the house of the rising sun

There is a house in New Orleans  
They call the rising sun  
It's been the ruin of many a good girl  
And oh God, you know I'm one  
Oh God, you know I'm one
