Dolly Parton, Two Doors Down

(Dolly Parton)

Two doors down They're laughing and drinkin', and having a party Two doors down They're not aware that I'm around

Cause here I am Crying my heart out, feelin' sorry while They're having a party two doors down

I think I'll dry these useless tears
And get myself together
I think I'll wonder down the hall
And have a look around
'Cause I can't stay inside
This lonely room and cry forever
I think I really rather join 'em
Two door down, yeah

Two doors down
They're laughing and drinkin', and having a party
Two doors down
They're not aware that I'm around

'Cause here I am No longer cryin' an' feelin' sorry We're having a party just two doors down

I can't believe I'm standin' here Dry-eyed, all smiles and talkin' Making conversation with the new love I have found I ask him if he's like to be alone and we start walkin' Down the hall to my place waitin' two doors down, yeah

Two doors down They're laughing and drinkin', and having a party Two doors down They're not aware that I'm around

'Cause here I am Feelin' everything but sorry We're having our own party two doors down

Oh, oh, oh, oh Two doors down Oh, oh, oh, oh Two doors down Oh, oh, oh, oh Two doors down Oh, oh, oh, oh Two doors down, oh

Two doors down They're laughing and drinkin', and having a party Two doors down They're not aware that I'm around

'Cause here we am Feelin' everything but sorry We're havin' our own party Two doors down, yeah

Two doors down

They're laughing and drinkin', and having a party Two doors down They're not aware that I'm around
