## Dolly Parton, We Used To

(Dolly Parton)

Mmm....
We used to walk through fields of green
We used to sit by clear blue streams
We used to be so happy
Me and you

We used to do such silly things We used to make love in the rain We used to Yes, we used to

Then you went away Leaving me with the memories we made Memories of those sweet yesterdays Spent with you Spent with you

And even though you're gone
I still think so often of you
And the things that we no longer do
Like we used to
Oh we used to

We used to be so much in love We used to kiss and hold and touch We used to find so many things to do

We used to laugh and plan and dream We used to own the world it seemed We used to Yes we used to

Then you went away Leaving me with the memories we made Memories of those sweet yesterdays Spent with you Spent with you

Oh and even though you're gone I still think so often of you And the things that we no longer do Like we used to Oh we used to

La...mmm....
