

# Dolores O'Riordan, Apple Of My Eye

As the days go by  
The apple of my eye  
I'll always wait for you

And as a new day dawns  
The darkness moves away  
And I will wait for you

Remember remember  
The face of you  
Surrender Surrender  
The touch of you

Well it's a hard to hold  
The room is turning cold  
The candles flickers still

And what I would not do  
For the love of you  
Would you hold on to me?

As the days the go by  
The apple of my eye  
I'll always wait for you

And as a new day dawns  
The darkness moves away  
And I will wait for you

Remember remember  
The face of you  
Surrender surrender  
The touch of you

I will remember, I will remember the face of you  
I will remember, I will remember the touch of you
