

# Dolores O'Riordan, Dreaming My Dreams

All the things you said to me today  
Changed my perspective in every way  
These things count to mean  
so much to me  
Into my faith you  
And your baby  
It's out there  
If you want me  
I'll be there  
It's out there  
I'll be dreaming my dreams  
With you  
And there's no other places  
That I'd lay down my face  
I'll be dreaming my dreams with you  
It's out there  
If you want me, I'll be here  
I'll be dreaming my dreams with you  
And there's no other places that I'd  
lay down my face  
I'll be dreaming my dreams with you
