

# Dolores O'Riordan, Electric Blue

Electric blue eyes, where did you come from?

Electric blue eyes, who sent you?

Electric blue eyes, always be near me.

Electric blue eyes, I need you.

Domine, Domine, Deus,

Domine, Aduva Me,

Domine, Domine, Deus,

Domine, Aduva Me,

Hey, eh, hey, eh

You should know, You should know I love you

You should know, You should know I'm here.

Always be near me, guardian angel,

Always be near me, there's no fear.

Domine, Domine, Deus,

Domine, Aduva Me,

Domine, Domine, Deus,

Domine, Aduva Me,

Hey, eh, hey, eh
