

# Domestic Problems, Untitled - Domestic Problems

i can tell you the story  
battles never won  
people standing blindly  
out of reach of the sun

and im telling you  
that i am in love woah  
i am in love  
i am in love  
with a girl that  
holds me with her eyes

voices surround me  
bicker and i shame(?)  
i wish with a passion  
why can't she feel the same

and im telling you that  
i am in love woah  
i am in love  
i am in love  
with a girl that  
holds me with her eyes

trying to be a friend  
and maybe that it'll be(?)  
i know what i feel inside  
please see the beauty in me woah  
please see the beauty in me woah  
please see the beauty in me...

my heart feels empty  
soul shakin' pain(?)  
i wish i could hold her  
man i lose but i gain

and im telling you that  
i am in love woah  
i am in love  
i am in love  
with a girl that  
holds me with her eyes  
and im telling you that  
i am in love woah  
i am in love  
i am in love  
with a girl that  
holds me with her eyes woah  
holds me with her eyes woah  
holds me with her eyes...
