

# Don Diablo, Golden

In this club  
I got everything I need  
All I ever wanted  
Right now  
In this moment  
Do you feel me?  
You feel me?

All I ever wanted  
Is right here in this moment  
All I ever wanted  
Is right here in this moment  
Feelin' so golden

All I ever wanted  
Is right here in this moment  
All I ever wanted  
Is right here in this moment  
Feelin' so golden

All I ever wanted  
Is right here in this moment  
All I ever wanted  
Is right here in this moment  
Feelin' so golden

All I ever wanted  
Is right here in this moment  
All I ever wanted  
Is right here in this moment  
Feelin' so golden
