

# Don Gibson, Hurtin' Inside

She told me she love me she told me a lie  
She said I'd be happy then she made me cry  
Well I'm hurtin' hurtin' inside she called me a baby in front of these guys  
She was just flirtin' I wasn't wise now I'm hurtin' hurtin' inside  
Tell me what's wrong in me what makes me live in memory  
Someday she'll be sorry just to wait and see  
Someone's a gonna hurt like she hurt me then she'll be hurtin' hurtin' inside  
[ guitar ]  
Well tell me what's wrong in me...  
She'll be hurtin' hurtin' inside she'll be hurtin' hurtin' inside
