

# Don Gibson, I Can't Leave

Well I told you I was leavin' you a long time ago but I'm still here and I still love you so  
And I can't leave no matter how hard I try  
You know I love you you know it's true I just can't leave you no matter what you do  
And I can't go no matter how hard I try  
It's shame oh shame you feel my pain running round on me  
But I lost my pride I'm still by your side and that's where I want to be  
Well maybe you'll change and maybe you won't  
But I'll be here if you do or if you don't  
Cause I can't leave no matter how hard I try  
[ guitar ]  
It's a sad affair when the one you love don't even care about you  
But why should I took blame I love you just the same and that's all I want to do  
Well maybe you'll change...
