

# Don Gibson, I'm Sorry For You My Friend

You'd known so long that you were wrong but still you have your way  
You told her lies and alibies and hurt her more each day  
But now your conscience bothers you you've reached your journey's end  
You're asking me for sympathy I'm sorry for you my friend  
You laughed inside each time she cried you tried to make her blue  
She tugged along through right or wrong because she worshipped you  
You know that you're the one to blame there's no use to pretend  
Today's the day you start to pay I'm sorry for you my friend

[ ac.guitar ]

Today as she walked arm in arm at someone else's side  
It made you stop and realize that time has turned to tide  
You should've known you'd be alone cause cheaters never win  
You tried and lost now pay the cost I'm sorry for you my friend
