

# Don Gibson, If You Don't Know It

Well if you don't know it know that I do know that I love you yes love you  
Well if you don't know it baby what can I do  
I tell you that I love you love you love you love you  
Well how many times do you think I'm gonna tell you  
How many times do you think you ought to know  
I fell just like I was a hung up record I love you love you so  
Well if you don't know it then you must be blind  
Know that you're my only yes yes my only kind  
Well if you don't know it baby what can I do  
I tell you that I love you love you love you love you  
[ guitar ]  
Well how many times do you think...
