

# Don Gibson, Mixed Up Love

MIXED UP LOVE  
(Wayne P. Walker)

I'm in I'm out sure then I'm in doubt  
What a crazy kind mixed up love I'm in  
I win I lose I'm happy then I'm blue  
What a crazy kind mixed up love I'm in  
I tell myself I ought to leave you I almost make it through the door  
I'd be a fool to try and leave you I'll just come back for me  
Your hello goodbye make me laugh then cry  
What a crazy kind mixed up love I'm in  
Oh and I tell myself I ought to leave you...
