

Don Gibson, My Love For You

Castles were made high and mighty and oceans were made deep and wide
We were made for each other that's how I feel about my love for you
Up in the sky is a rainbow that some people say has no end
This I don't know it's true but there's no end of my love for you
Living each moment waiting for your touch
Praying each night you'll want me half as much
Vows that are made are sometimes broken and someone you trust and prove untrue
But I'll never be unfaithful for you can trust in my love for you
You can trust in my love for you
