

Don Gibson, Oh Such A Stranger

Oh such a stranger you don't even know me it's just as though we've never even met
Oh such a stranger you don't even see me tell me was I that easy to forget
Don't you remember please won't you try
Was it that long ago you brought tears to my eyes
Oh such a stranger we're not even friends don't you even remember me when
[mandolin]
Was it that long ago...
