## Don Henley, Not Enough Love In The World

Sometimes I wonder where it is love goes I don't know if even Heaven knows
But I know you had some dreams that didn't quite come true
And now I'm not the one, little girl, who's keeping you

I was either standing in your shadow or blocking your light Though I kept on trying I could not make it right For you girl-There's just not enough love in the world

I know people hurt you so bad They don't know the damage they can do, and it makes me so sad-How we knock each other down just like children on a playground Even after that ol' sun went down-

I was either standing in your shadow or or blocking your light Though I kept on trying I could not make it right For you girl-There's just not enough love in the world

Oh darlin', this is still a shady little town And sometimes it's so hard to smile-For the world, for the camera-And still have something left You don't have to prove nothin' to nobody Just take good care of yourself

I'm not easy to live with-I know that it's true
You're no picnic either, babe
And that's one of the things I loved about you
But a time will come around when we need to settle down
Got to get of this merry-go-round

I was either standing in your shadow or blocking you're light Though I kept on trying I could not make it right For you girl-There's just not enough love in the world
